

## Merry Christmas And Happy New Year!

Our Directors work very hard and dedicate themselves to make very important decisions for Ballard Telephone. The telecommunication business is ever changing and requires our board members to study and to learn every aspect of the telephone, internet, TV and wireless industry. We appreciate their service to our community!

### Another Great Annual Meeting

We would like to thank our members who took the time to attend our 56th Annual Meeting that was held October 29th. Just like the prior years, we had a great time with refreshments, nice gift give-a-ways and door prizes.

We always look forward to this meeting and hope to see you next year the last Saturday of October.
